

How To Create an Event Flyer in Canva using a Template

FIGURE 1: CANVA LOGO

Introduction:

This tutorial is intended for people with no prior experience using Canva. Through these instructions, users will learn how to make a Canva account, create a document in Canva, use a template, edit said template, and make a PDF from the finished product.

Required Equipment:

Desktop or Laptop with internet browsing capabilities.

FIGURE 2: EVENT FLYER

Creating a Canva Account

1. Visit <https://www.canva.com>.
2. Click Sign Up [Figure 3].

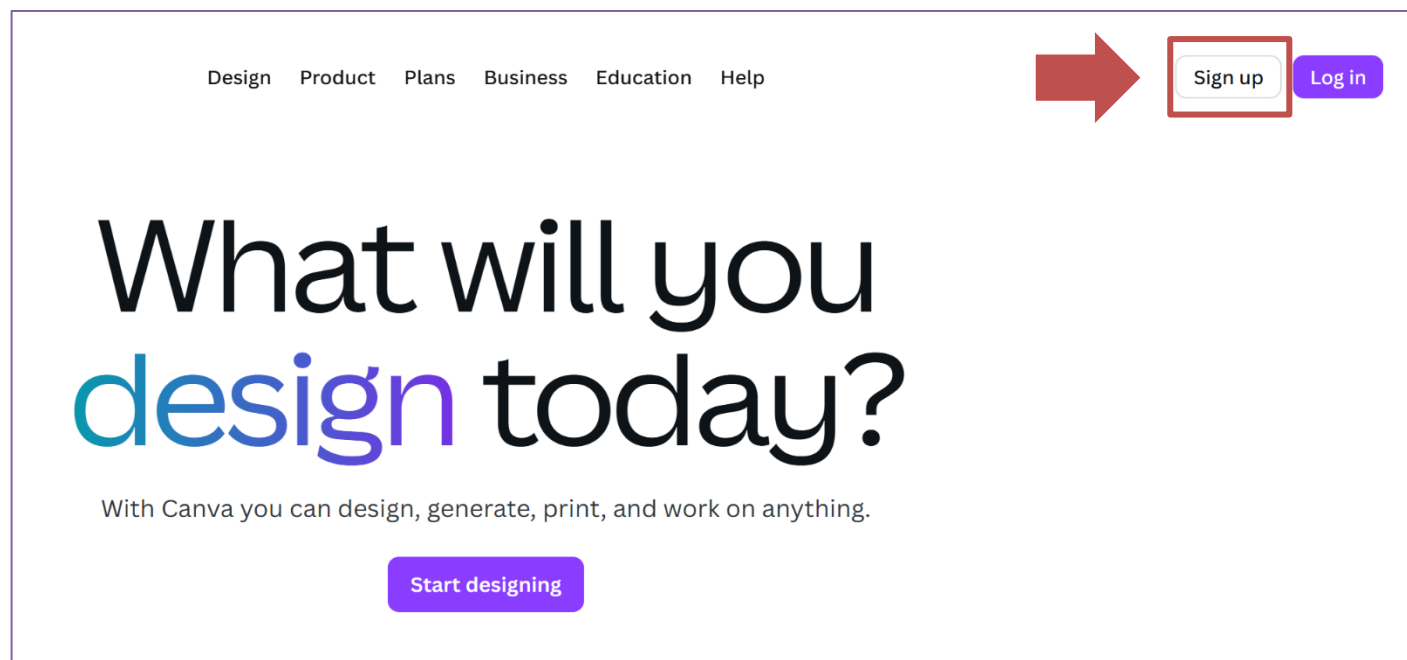

FIGURE 3: SIGN UP TO CANVA

3. Choose method of signing up [Figure 4].
 - For the purposes of this tutorial, I chose to sign up using my email.
4. Enter the code sent to your email [Figure 5].
 - Resend the code if necessary.
5. Click Continue.

(Optional) Answer Canva's introductory questions.

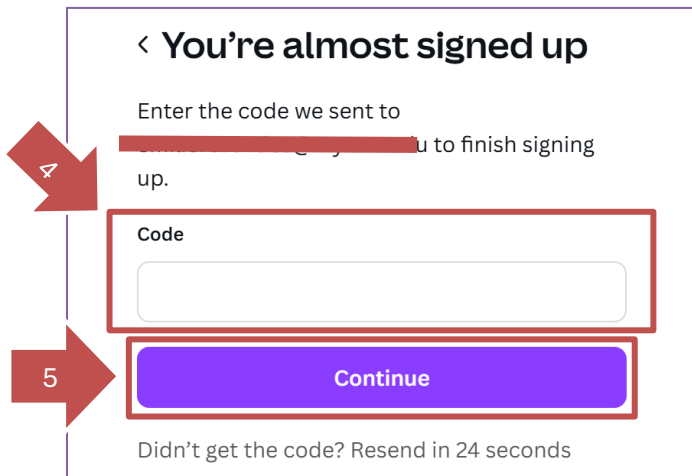

FIGURE 4: ENTER CODE

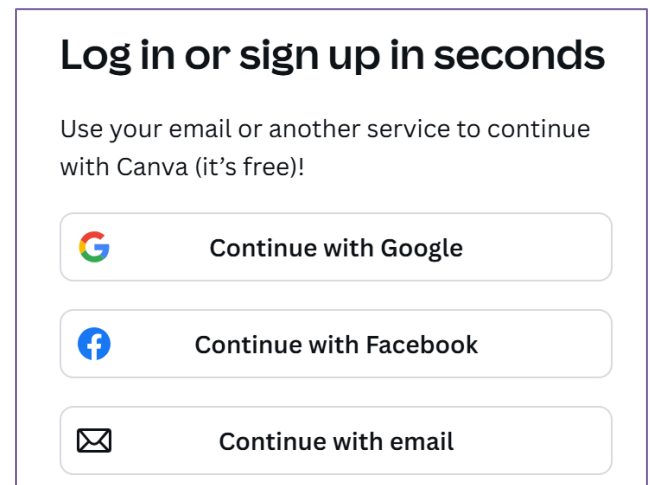

FIGURE 5: CHOOSE SIGN UP METHOD

Creating a Document in Canva

1. Locate the icon on the far right called Create.
2. Click it [Figure 6].

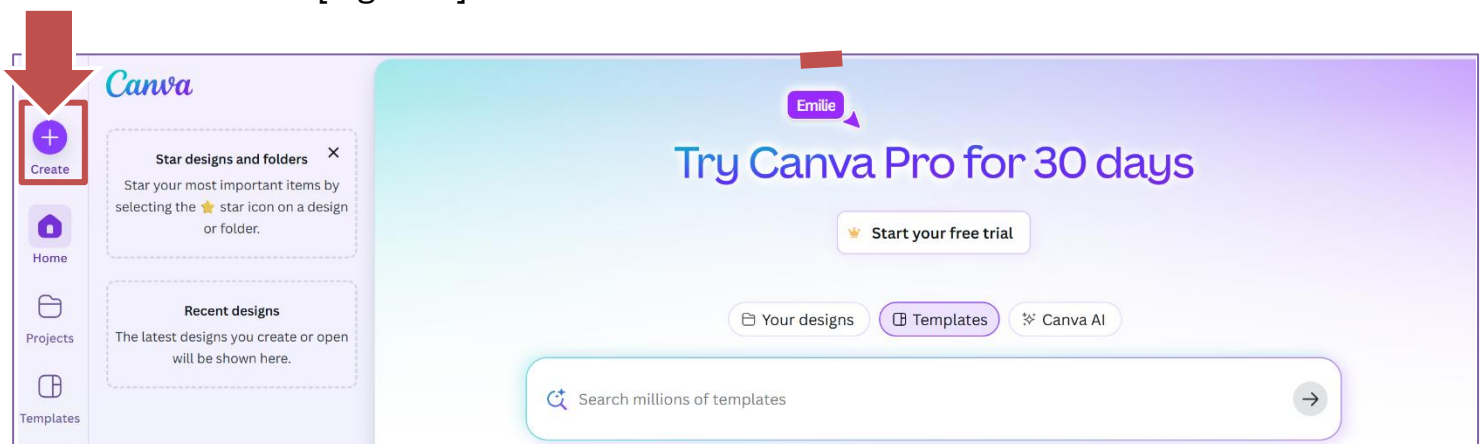

FIGURE 6: CLICK CREATE ICON

3. Type "Flyer" in the text box that appears [Figure 7].

4. Select a flyer size [Figure 7].

- For the purposes of this tutorial, I chose the 8.5 x 11in Flyer (Portrait).

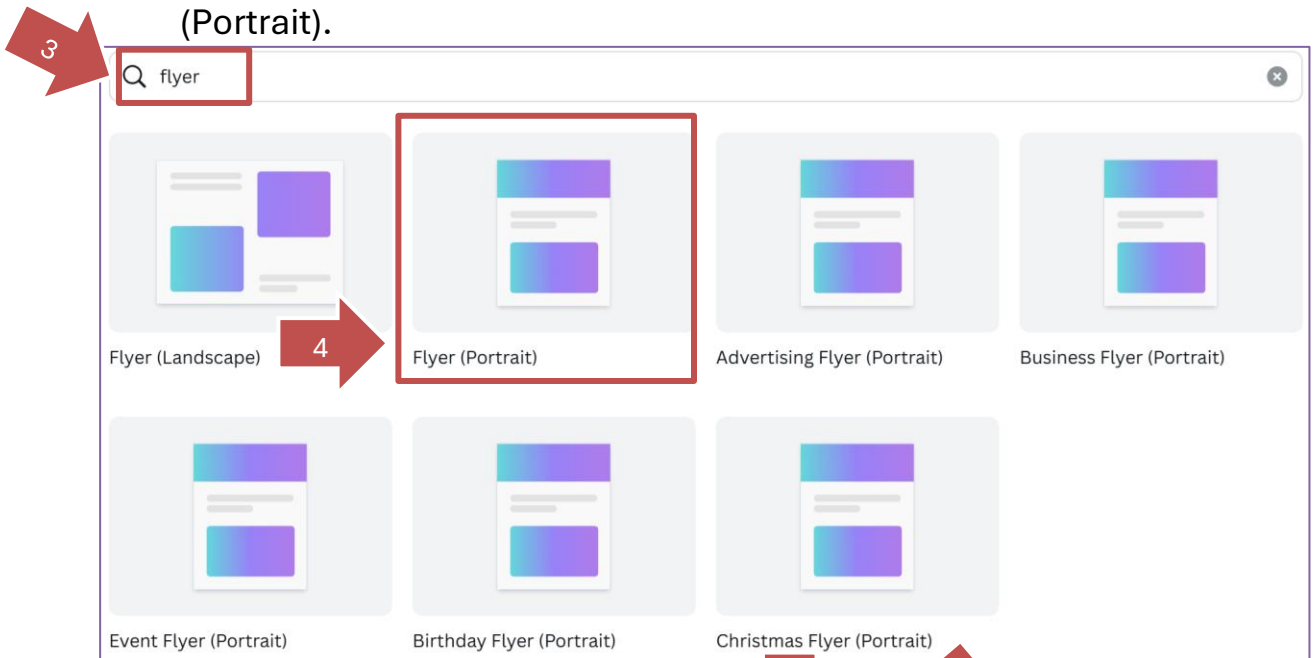

FIGURE 7: CHOOSE A FLYER TYPE

5. Find and open the Design tab [Figure 8].

6. Type “event flyer” into the text box [Figure 8].

7. Click on a flyer template [Figure 8].

- For the purpose of this tutorial, I chose “Blue Green Red Music Icons Open Mic Night Flyer.”

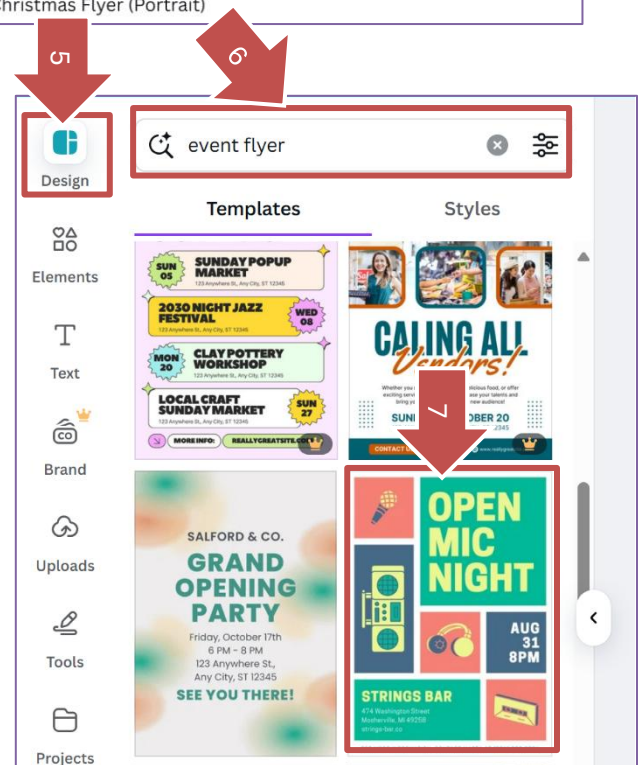

FIGURE 8: CHOOSE A FLYER TEMPLATE

Editing a Document in Canva

Change the Document Colors

1. Click the back arrow to exit out of the basic flyer view [Figure 9].
2. Click Styles to enter into styles view [Figure 10].

3. Choose a color palette [Figure 10].
 - For more curated results, you can also type your desired color palette theme into the Search Styles textbox.

(Optional) Hover over the desired color palette and click the shuffle button to shuffle the colors.

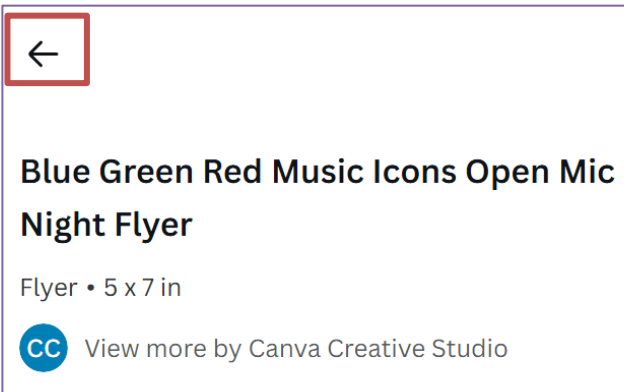

FIGURE 9: CLICK THE BACK ARROW

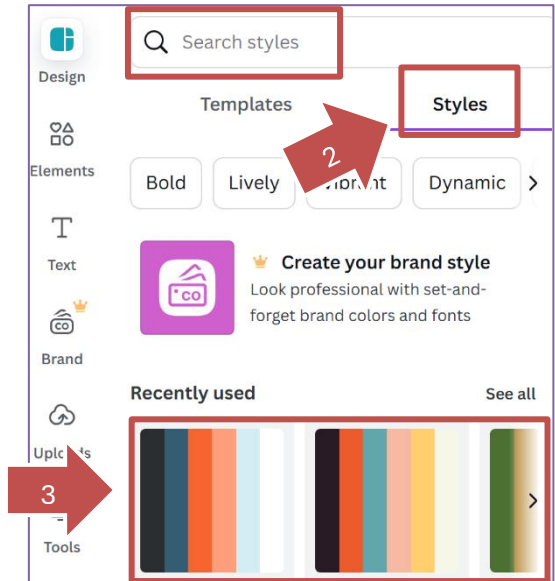

FIGURE 10: CHOOSE A COLOR PALETTE

Change the Document Fonts

1. Scroll down the “styles” sidebar menu.
2. Click a font set.
 - For the purposes of this tutorial, I chose the font set Squada One, Klima, and Kilma light.

Edit Document Text

1. Click flyer title.
2. Type in a new title.
3. Change textbox alignment to center [Figure 12].
4. Find and click the Text icon on the sidebar menu [Figure 11].
5. Add a subheading [Figure 11].
6. Click on the new subheading.

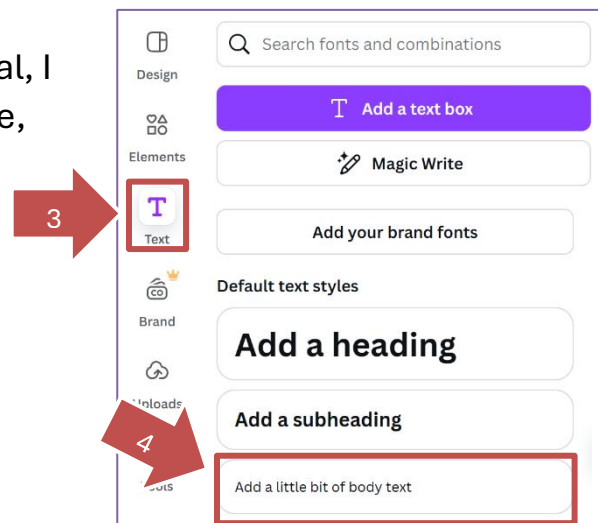

FIGURE 11: ADD A TEXT BOX

7. Find and click the font style on the upper ribbon of the document [Figure 12].
 - For the purposes of this tutorial, I changed the font to Kilma.

FIGURE 12: CHANGE FONT STYLE AND SIZE

8. Click on the font size.
9. Change the font size to 44.
10. Edit the date and time textbox.
11. Change textbox alignment to center [Figure 12].
12. Click on the address textbox at the bottom of the flyer.
13. Click the trashcan on the textbox ribbon to delete it [Figure 13].
14. Edit the contact information text box at the bottom of the document.
 - You can also use the multi-directional arrow as shown in [Figure 14].
16. Shrink the text box length using the white bars on the outsides of the box [Figure 14].
17. Change the contact information font size to 25.

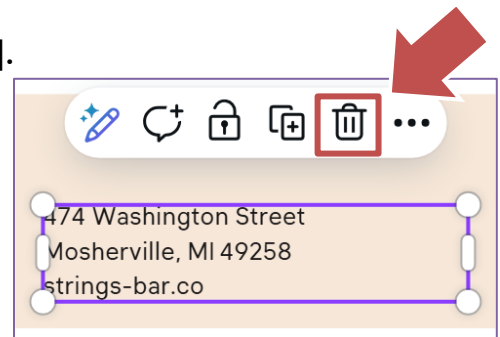

FIGURE 13: DELETE TEXT BOX

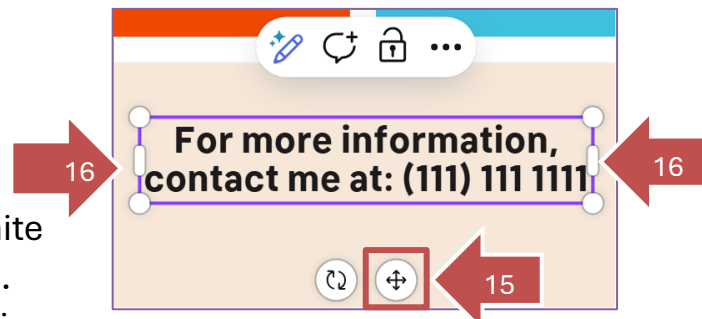

FIGURE 14: MOVE TEXT BOX

Edit Existing Document Graphics

1. Select a graphic.
2. Click one of the colors in the ribbon at the top of the document [Figure 15].
3. Select a color you would like to change to in the sidebar menu.

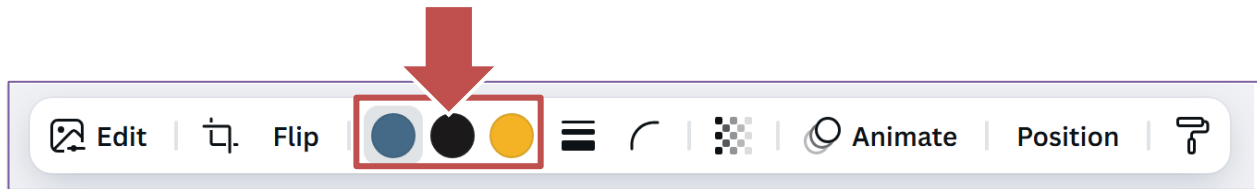

FIGURE 15: SELECT A GRAPHICS COLOR TO CHANGE

Add and Edit New Document Graphics

1. Find and click on the Elements tab in the document's sidebar [Figure 16].
2. Type the type of graphic you would like to add into the textbox [Figure 16].
3. Click see all to view more graphic options [Figure 16].
4. Select graphic.
5. Click one of the colors in the ribbon at the top of the document [Figure 15].
6. Select a color you would like to change to in the sidebar menu.

(Optional) Tilt your graphics by using the looped arrows as shown in [Figure 17].

Note: Not all Canva graphics will allow you to change their colors.

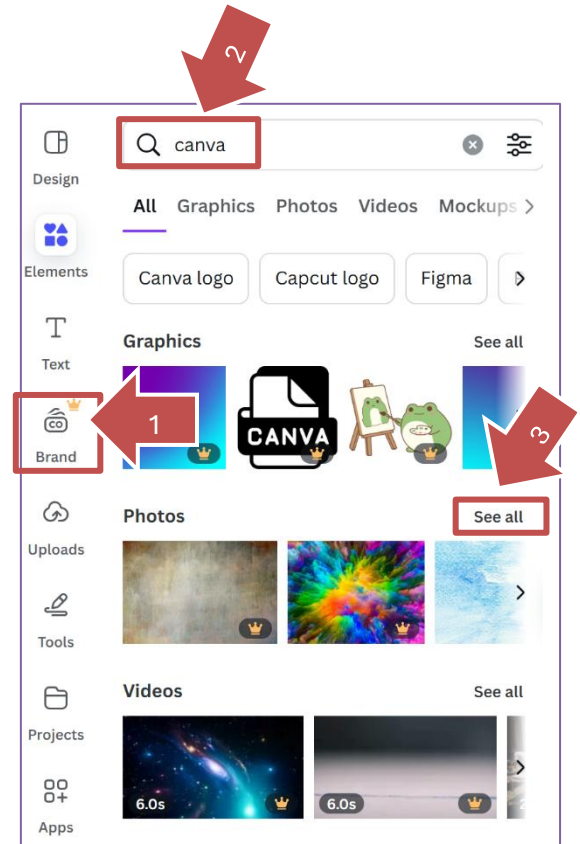

FIGURE 16: SEARCH FOR AND SELECT A GRAPHIC

Add and Edit Images

Add Canva Images

1. Click the Elements button on the sidebar menu [Figure 16].
2. Type the type of image you would like to add into the textbox [Figure 16].
3. Click see all to view more image options [Figure 16].
4. Select image.

FIGURE 17: TILT A GRAPHIC

Add Personal Images

1. Click the Uploads button on the sidebar menu.
2. Click the Upload Files button.

Add Images from the Web

1. Choose an image.
2. Right click.
3. Press Copy Image.
 - You can also use Ctrl C.
4. Paste image into document.
 - I use Ctrl V.

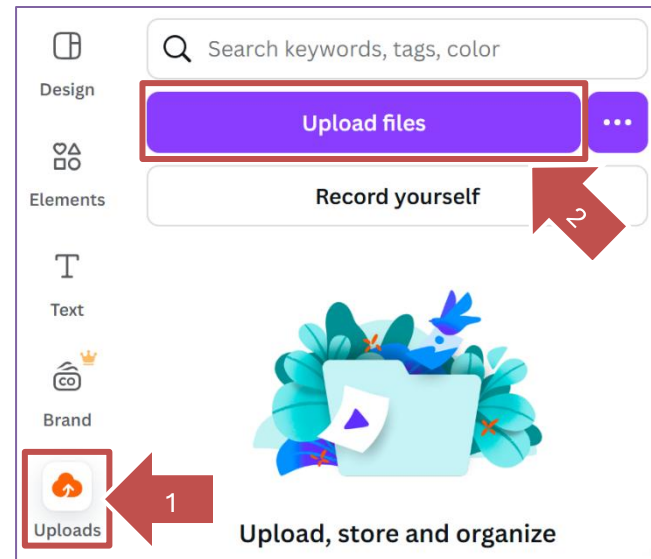

FIGURE 18: UPLOAD PERSONAL IMAGES

Edit Images

1. Click on the image.
2. Click on one of the colors in the ribbon at the top of the document [Figure 19].
3. Select a color you would like to change to in the sidebar menu.
4. Add more desired edits by using the options in the image's ribbon at the top of the document [Figure 19].

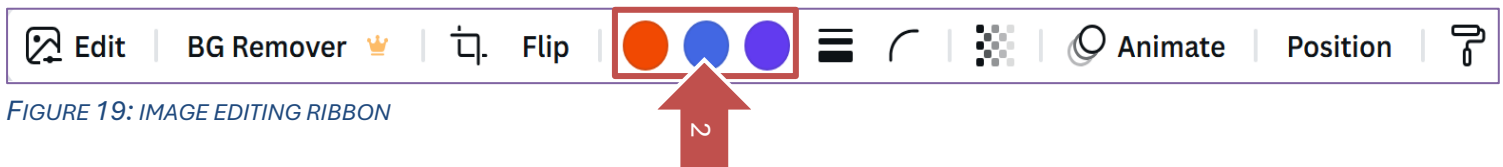

FIGURE 19: IMAGE EDITING RIBBON

Note: Not all Canva images will allow you to change their colors, however most images can be edited by using the Edit button on the image's ribbon. However, that option is more complicated and therefore will not be covered in this tutorial.

Making Your Document A PDF In Canva

1. Click the documents title in the top middle of the documents ribbon [Figure 20].
2. Enter a new document name.
3. Click enter.
4. Find and click the Share button in the top right corner of the documents ribbon [Figure 20].
5. Click the Download button.

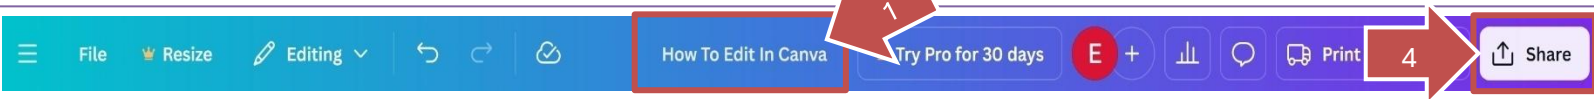

FIGURE 20: EDIT TITLE AND BEGIN PDF PROCESS

6. Select the file type in the drop-down menu [Figure 20].
 - o For the purposes of this tutorial, I chose PDF Standard.
7. Click Download [Figure 21].
8. Save the downloaded file.

You have now completed the tutorial and can create a simple event flyer in Canva using a template.
